

# Panopto Teaching

---

ELC Panopto Workshop Series Session 4

August 28, 2020

Mary Cheng and Johanna Sandberg

**[Video Recording of Session](#)**

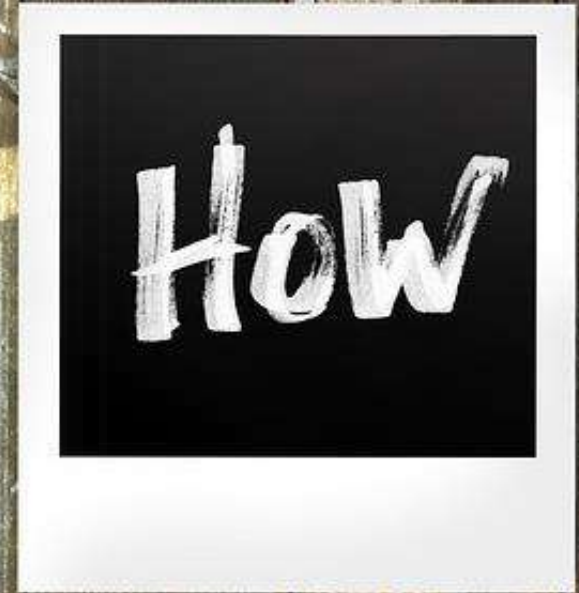

# Today's session

---

- Discussion and Notes for peer and instructor feedback
- Quizzes
- Pedagogic uses of captions
- Your ideas!

# Discussion & Notes

---

Notes <https://support.panopto.com/s/article/taking-notes-1>

Discussions <https://support.panopto.com/s/article/How-to-Use-Discussions-in-Videos>

# Discussion

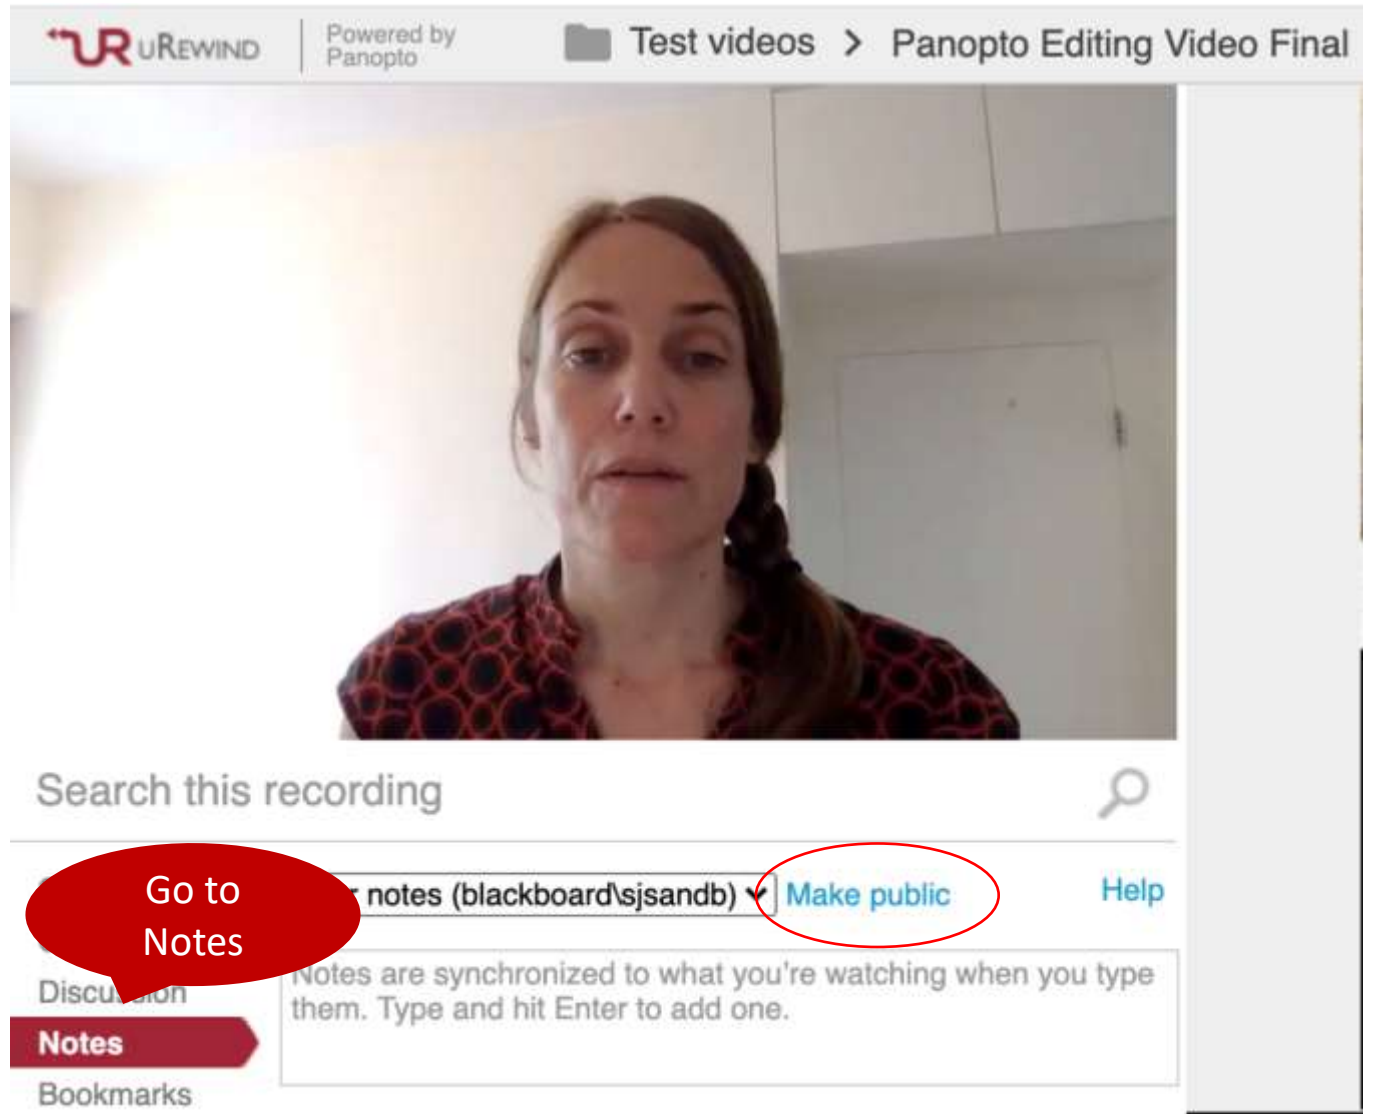

- public
- interactive
- timestamped
- can be edited / deleted
- good for forums
- good for public peer/instructor feedback or comments
- allow comments in Settings > Overview > Discussion

*NOTE: if you link several sections to the same uRewind video, all comments appear in the same forum*

The screenshot displays a Panopto video player interface. At the top, it shows the uRewind logo and the video title "Test videos > Panopto Editing Video Final". The main video area shows a woman speaking. A red speech bubble overlay with the text "Go to Discussions" points to a discussion forum overlay on the left side of the video. The forum overlay includes a search icon, a "Discussion" tab, and a comment from Sara Johanna SANDBERG dated 20 August 2020 at 16:51. Below the comment is a text input field with the placeholder "Ask a question or share a comment. Your post will be seen by everyone." On the right side of the video, a slide titled "Today's session" is visible, listing topics such as "Understanding the Panopto interface" and "Adding Panopto to Blackboard". The video player controls at the bottom show a progress bar at 0:24 and a play button.

# Notes

- private (unless made public)
- shared in Channels
- timestamped
- can be edited/deleted
- good for private feedback or comments

# Using captions

---

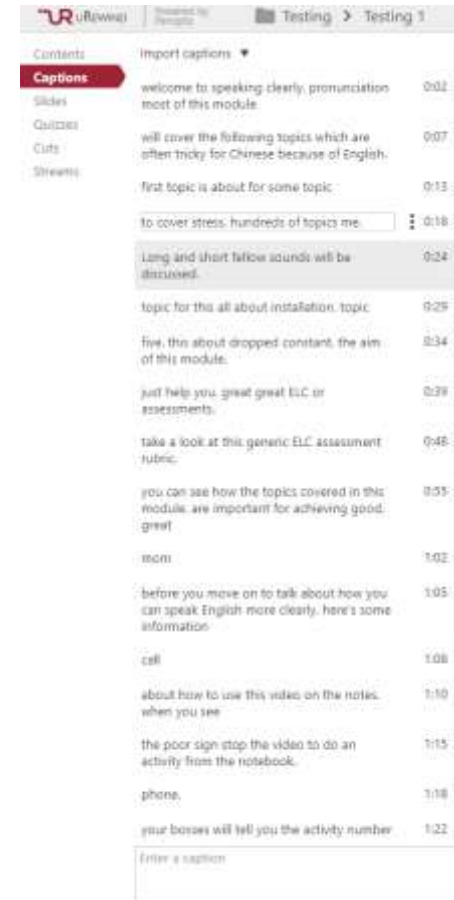

[https://support.panopto.com/  
s/article/ASR-Generated-  
Captionsc](https://support.panopto.com/s/article/ASR-Generated-Captionsc)

# Import captions automatically

① Go to 'Edit' mode.

The screenshot shows the top navigation bar with the Urewind logo, 'Powered by Panopto', and the breadcrumb 'Testing > Testing 1'. Below this is a sidebar menu with options: Contents, Captions (highlighted in red), Slides, Quizzes, Cuts, and Streams. A dropdown menu is open under 'Captions', showing 'Import automatic captions' (circled with a green 3) and 'Upload or request captions'.

The screenshot shows a video player interface with a list of captions. The 'Import captions' dropdown is open, showing a list of captions with their corresponding timestamps. The first caption is 'welcome to speaking clearly pronunciation most of this module.' at 0:02. The second caption is 'will cover the following topics which are often tricky for Chinese because of English.' at 0:07. The third caption is 'first topic is about for some topic.' at 0:13. The fourth caption is 'to cover stress, hundreds of topics me.' at 0:18. The fifth caption is 'long and short follow sounds will be discussed.' at 0:24. The sixth caption is 'topic for this all about installation, topic.' at 0:29. The seventh caption is 'five, this about dropped constant, the aim of this module.' at 0:34. The eighth caption is 'just help you, great great ELC or assessments.' at 0:39. The ninth caption is 'take a look at this generic ELC assessment rubric.' at 0:48. The tenth caption is 'you can see how the topics covered in this module, are important for achieving good, great.' at 0:55. The eleventh caption is 'mon.' at 1:02. The twelfth caption is 'before you move on to talk about how you can speak English more clearly, here's some information.' at 1:05. The thirteenth caption is 'cell' at 1:08. The fourteenth caption is 'about how to use this video, on the notes, when you see.' at 1:10. The fifteenth caption is 'the poor sign stop the video to do an activity from the notebook.' at 1:15. The sixteenth caption is 'phone,' at 1:18. The seventeenth caption is 'your boxes will tell you the activity number.' at 1:22. Below the list is an input field labeled 'Enter a caption'.

④ You can edit the caption by clicking on the text.

# Possible use in teaching – an example

## *Students practice presentation skills in EUS*

1. Students upload their presentation practice video on Panopto.

2. Students generate the automatic caption.

3. Students check how many signposting expressions they have used, and where they have used them.

4. Students evaluate and include more signposting expressions in presentation.
