Call for Papers
2024 International Conference on Open and Innovative Education

Conference Website
https://hkmu.edu.hk/icoie

Organized by **Hong Kong Metropolitan University** through its **Institute for Research in Open and Innovative Education**, the **2024 International Conference on Open and Innovative Education (ICOIE 2024)**, will be held on **3–5 July 2024**. ICOIE 2024 — the 11th of the annual conference series — will take place as a **hybrid** conference**.** All participants may choose to attend the conference and present their papers physically at the conference venue in Hong Kong or virtually through our video conferencing system.

Advancements and improvements through openness and innovation are major trends in contemporary education, influencing the whole spectrum of education institutions across the globe. Technological applications and tools are driving a paradigm shift in contemporary education. Modes of learning and teaching are becoming more open and innovative in terms of learning time/space, curriculum contents, organization, pedagogical methods, infrastructure and requirements. This trend is prevalent in all types of institutions (including universities that offering conventional, online and/or open courses). ICOIE 2024 will explore relevant key issues.

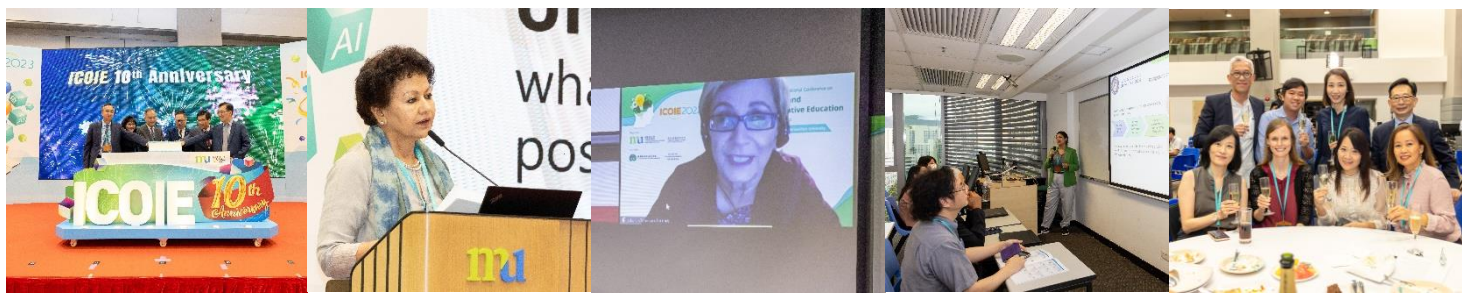

Contents of this conference will cover the following topics of interests

- Academic/learning analytics
- Agile/blended/agile-blended learning
- AI/VR/AR/MR in education
- Educational technology
- Engaging students and learning design
- Gamification for learning

- Impacts of pandemic on online learning
- Innovations in curriculum and pedagogy
- Open education/OERs/MOOCs
- Pedagogical innovations
- Social media and technology-mediated learning communities
- Technology-enabled student advising

Paper Submission

We welcome papers on all topics related to open or innovative education. The deadline for abstract submission is **24 March 2024**. Accepted full papers will be included in the conference proceedings and considered for the **"Best Paper Award"** and **"Excellent Paper Awards".**

For further details regarding abstract/full paper submission, kindly refer to the relevant page on our conference website at https://hkmu.edu.hk/icoie.
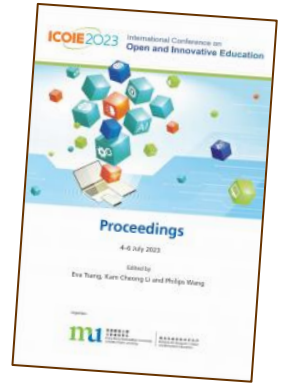

Conference Publications

Special issues of high-quality journals will be devoted to selected papers of the Conference. The journals include *International Journal of Mobile Learning and Organisation* (ESCI and Scopus listed) and *Interactive Technology and Smart Education* (ESCI and Scopus listed). Extended versions of conference papers are being invited for review and publication in the journals.

International Journal of Mobile Learning and Organisation
(Scopus listed)

Interactive Technology and Smart Education
(ESCI and Scopus listed)

Student Paper Presentation

Postgraduate students are also welcome to submit abstracts/papers to the Conference and present their work in the student presentation session. Besides, papers of the student authors who meet the eligibility criteria will have the opportunity to compete for the **"Best Student Paper Award"** and **"Excellent Student Paper Awards"**.
